Subject: Training on "Hybrid Learning" for teachers of Schools affiliated with CBSE

Pandemic (Covid-19) has been raging on for over a year now and our education system has been under tremendous stress. Most of the schools have been under lockdown for long periods and are struggling to continue with the teaching-learning transaction.

Since, many State Governments have decided to reopen schools. While most schools are prepared to welcome students back to their classes, many parents are reluctant to send their children to schools and prefer online education, till the situation improves.

In this context, Central Board of Secondary Education, Microsoft Education and Tech Avant-Garde, Global Training Partner of Microsoft, have taken an initiative to educate schools on how to manage these uncertain times by training teachers on "Hybrid Learning".

We are inviting two teachers from each affiliated school. The training program will be conducted over a period of five days.

The teachers attending this program should have basic knowledge of technology. Once the teachers complete this training program successfully, they will be certified. Specialists on "Hybrid Learning" shall be available who could be consulted in the future.

The schools should fill in the enclosed enrolment form on or before 5th November 2021 to confirm their participation in the training program. Click the link to enroll: <https://forms.office.com/r/aV09cUiesw>
