**Subject: CSIR Innovation Award for School Children (2022) – reg.**

Dear Principal

In order to inculcate scientific culture among school children, Council of Scientific and Industrial Research (CSIR), Ministry of Science and Technology has instituted a competition "CSIR Innovation Award for School Children". To build awareness, interest and motivation for Intellectual property and to support scientific temperament and innovation spirit among school children.

Over the years, various schools have participated in this competition and school children have been awarded accordingly. Each year, awards are conferred by Hon'ble Prime Minister or Hon'ble Minister of Science and Technology during Foundation day of CSIR on 26<sup>th</sup> September. It is expected that more schools should participate for providing wider opportunities to the school students in their scientific career. In this competition, CSIR would also provide training in IPR to the selected meritorious students along with their science teachers. This would have immense value for both students and teachers.

This year, CSIR has announced the competition for year 2022 and the advertisement has been published on CSIR website at the following link:
