Circular No. Acad-91/2022

The Heads of all the Institutions affiliated to CBSE

Subject: Training sessions for CS/IT/ICT teachers on 'Be Internet Awesome' program

NEP 2020 speaks of technology as assisting teachers, bridging the language gap between teachers and students, building digital libraries, popularizing language learning and ensuring greater educational access (specifically for differently-abled children). In keeping this spirit alive, CBSE in partnership with Google India, is organizing training on 'Be Internet Awesome', a program dedicated to safeguarding learners and facilitators alike while exploring the online world.

Post-pandemic the online learning has become an inseparable part of the teaching learning scenario in schools across the country and hence the need to navigate safely is paramount. This program aims to empower users by educating them and providing them with the right tools and information for their online safety. One critical aspect of this commitment is also to ensure parents and students have the right tools that they need to explore the internet confidently.

Master Trainer Program (Online) for CS/IT/ICT teachers:

The **second engagement** of the 'Be Internet Awesome' program involves learning through online sessions for **CS/IT/ICT teachers only**. These online trainings will be conducted monthly. Each of these will be **repeated** to accommodate teachers across the country. **Each teacher has to attend one (2-hour) workshop.** They will then train a minimum of 20 teachers to make them eligible for the certificate.

Please refer to the annexure for schedule of the Master Trainers Programs (Master Trainer Workshops Series 1, 2 & 3).

Please note:

- These training programmes are only for teachers teaching **CS/IT/ICT** to students of age group of 6-17 years only, in CBSE affiliated schools
- The maximum participation per cohort is 1,000 participants.
- There is no fee for these training sessions.
- Once teacher registers, the link shall be shared on the registered email id.
- All these trainings shall be held in online mode only.
