Subject: Industry Engagement & Technology Exposure Program for CBSE students

Greetings from CBSE!

Technology has been progressing at an accelerated pace for decades, reshaping every aspect of society including how we live, learn and work. This means that ensuring that education evolves as quickly as the demand for new skills is now imperative; and an area in which both the public and private sector have a key role to play. Hence, the reason for this industry engagement and technology exposure program for students.

In continuation to CBSE Circular No. 101/2022 dated 09.09.2022 and Circular No. 137/2022 dated 02.11.2022, CBSE in partnership with Microsoft shall be offering the **'Industry Engagement & Technology Exposure Program for students'** across CBSE schools. Microsoft, through its Global Learning Partners, would be conducting virtual sessions on technology exposure and industry engagement for students during January and February 2023.

Brief about the program:
- Students will be oriented about various themes such as technology areas, inspiring industry talks, career insights, entrepreneurship and hands-on exposure to implement their ideas. Students would have opportunities to work on mini projects as teams. They will submit their projects at the end of the program.
- Mini challenges and assignments will be provided to students during the program for continuous assessment and engagement.
- Students will be given orientation on several tech areas and opportunities to participate at National and International level challenges on Coding/Applications of AI.
- Leaders from the industry will deliver guest talks on each day of the program.

Themes to be covered:
- Technology Exposure- Cloud, AI, Analytics among others.
- Coding and its applications.
- Insights and lessons from career journeys of practitioners.
- Entrepreneurship - from idea to making it happen.
- Implementing innovative ideas.

Mode and Duration:
- Online (virtual).
- Five days, two hours per day and time for project work and showcase.

Certificates:
- On successful completion of the program, certificates will be given to students.

Registration:
- Teachers can register on behalf of students using **any ONE of the following links**.
- There are two options to choose from and both are equally good and would provide uniform experience.
- The detailed agenda from the respective programme can be viewed after registration.
