1. Activities related to millets in the form of competitions such as essay, poems, quiz etc.
2. A millet map may be hung on the classroom wall prepared together by teachers and students.
3. The schools can organize exhibitions showing different millets with their nutritional value and possible recipes providing an opportunity to students to taste them.
4. Experts/ farmers should be invited to share their knowledge and experience regarding millet as a crop.
5. Inviting different stakeholders including parents to attend the programs.

You are requested to do the needful in your school to make the global event for International Year of Millets (IYOM) 2023 a great success.
