Subject: Mission Life Style For Environment (LiFE)

Today, as we witness the impact of environmental degradation in multiple ways, there is a growing realization that urgent corrective measures are required. To meet this challenge, the Honourable Prime Minister of India enunciated the idea of **Life Style For Environment (LiFE)** and has given a clarion call in the Conference of Parties (CoP 26) in 2021 at Glasgow for an international mass movement towards *mindful and deliberate utilization, instead of mindless and destructive consumption' to protect and preserve the environment.*

'LiFE' envisages a way of living which respects nature and other organisms co-exist with us, the humans for a greener and cleaner earth. It is premised on the basic principles of 'Lifestyle of the planet, for the planet and by the planet'. The Board encourages all stakeholders to adopt a Life Style for Environment. To give this a boost, a series of inter-school and intra-school activities would be organized.

In view of above, you are requested to conduct awareness programs for Mission LiFE through quizzes, drawing competitions, slogan writing competitions, debate etc. regularly till August 2023 as suggested in the calendar at Annexure-I.

A brief report of activities is required to be uploaded by the schools at <https://forms.gle/x9L93qymrZ9HWVvKA> each month from March – August 2023.

With Best Wishes

(Dr. Joseph Emmanuel)
