Subject: Celebration of National Space Day 2025 – reg.

As you may recall with pride, 23rd August 2023 is etched in history as a glorious day for Indians with the success of Chandrayaan-3 mission when the Vikram Lander landed on the surface of the Moon. This achievement of ISRO made India the fourth country to land on the Moon and the first one to do so on the Lunar South Pole region. To commemorate this achievement, the Hon'ble Prime Minister Sh. Narendra Modi has declared 23rd August as the National Space Day (NSpD).

As 23rd August, 2025 approaches, it has been decided that the second National Space Day, will be celebrated throughout the country to showcase our achievements in space technology and its applications as also the most recent success of Indian on the International Space Station.

Accordingly, you are requested to **organize special school assemblies, exhibitions, workshops, 'interactive sessions and talks by local space technology experts / scientists in offline/ virtual mode**, focused on highlighting India's growing prominence as a space power. By organizing such events, schools can inspire young minds, foster a sense of national pride, and encourage students to explore careers in science, technology, engineering, and mathematical (STEM). This initiative will not only enhance students' knowledge but also motivate them to contribute to India's future advancements in space technology.

A vast array of resources showcasing India's accomplishments in space exploration and technology is available on platforms like DIKSHA, NISHTHA, NCERT website & on e Pustakalya (National Digital Library). **Special Modules on Chandrayaan** are also accessible at:
