NOTIFICATION

Collaboration with Adobe on Digital Creativity Skills powered by Adobe Express

The National Education policy outlines the vision for India's new education system where creativity is placed among the top skills in demand. The policy emphasizes on digital integration with curriculum and reformed teaching-learning process. According to World Economic Forum's (WEF) Future of Jobs Report, creativity is ranked the top skill for 10 most in-demand job skills in 2023.

CBSE, with the vision to empower every student to unleash their creativity and develop skills for future readiness, has collaborated with Adobe to provide access to Adobe Express Premium Licenses for all students and teachers across all 28k schools. Teachers will be provided access to curated lesson plans and curriculum, allowing them to explore diverse subjects, develop critical thinking and communication skills, and help students to express their ideas with unparalleled creativity.

CBSE will provide access to Adobe Express (Premium) Licenses to all the schools.

Adobe Express is a web-based and user-friendly platform powered by Generative AI to help students and teachers create digital content in the form of stunning graphics, presentations, animations with audio, web pages and videos using a pool of thousands of educational templates. It also provides access to a library of royalty-free images, icons, and music that you can use in your digital projects. Students and Teachers can collaborate within Adobe Express with each other on projects by sharing access and editing them together in real-time. They will also have access to PDF to create documents for digital learning within Adobe Express. They can easily create worksheets and assignments using pdf functionality within Adobe Express to enhance Digital Learning.
