Subject: Facilitating Student and Teacher Exposure through Visits to AICTE IDEA Labs and ATAL Incubation Centres (AICs)- reg

Dear Principal,

Aligning with the National Education Policy (NEP) 2020's emphasis on hands-on and experiential learning, Central Board of Secondary Education (CBSE) has been continuously encouraging schools to provide real-world exposure to students to build innovation and entrepreneurial mindsets.

AICTE (All India Council for Technical Education) has set up **IDEA (Idea Development, Evaluation & Application) Labs** across various engineering institutions in the country. These labs are equipped with advanced facilities to promote innovation, design thinking, and practical learning in science, technology, engineering, and mathematics (STEM) domains.

In similar ways, **ATAL Incubation Centres (AICs)** are state-of-the-art incubation facilities designed to support startups and foster an ecosystem of innovation and entrepreneurship. These centres are located across the country in reputed academic and research institutions and provide an excellent opportunity for students and teachers to understand startup culture, technological advancements, innovation practices, and entrepreneurial journeys.

In alignment with objectives outlined in NEP 2020, schools affiliated with CBSE are encouraged to organize exposure visits to **AICTE IDEA Labs** set up by **AICTE (All India Council for Technical Education)** and **ATAL Incubation Centres (AICs)** established under the aegis of **Atal Innovation Mission (AIM), NITI Aayog**.

Opportunity for School Students and Teachers

CBSE-affiliated schools are advised to take advantage of this initiative by coordinating with nearby AICTE IDEA Labs and ATAL Incubation Centres (AICs) to:

- Arrange **visits for students** (preferably classes 8 to 12) and **teachers** during **summer vacations or other suitable times**.
- Provide students with **exposure to real-world applications**, innovation techniques, and emerging technologies.
- Encourage **interactions with faculty and innovators** working in these labs to inspire and nurture creativity and problem-solving skills.

Action to be Taken

- Schools should identify the nearest functional **IDEA Lab** and **ATAL Incubation Centre (AIC)** from the list provided by AICTE (available at <https://idealnet.aicte.gov.in/idealab-list>), and by AIM, NITI Aayog at <https://aim.gov.in/aic.php>. Lists are enclosed herewith for reference as Annexure A and B, respectively.

CENTRAL BOARD OF SECONDARY EDUCATION

(An Autonomous Organization under the Ministry of Education, Govt. of India)

- Establish contact with the host institution to plan visits or short orientation sessions.
- Visits can be planned during **summer vacations, weekends**, or as part of **experiential learning activities**
- Schools may also collaborate with labs to plan **teacher training programs or project-based learning initiatives**.
- Schools should ensure adequate supervision, safety, and transportation arrangements for students.

This initiative is aimed at strengthening the innovation ecosystem for school students and integrating hands-on learning with classroom instruction.

For any assistance or clarification, you may write to the Deputy Secretary (Skill Education) CBSE at **satish.ds.se@cbseshiksha.in**

We look forward to your proactive participation in this initiative.
